ATTN: Administrators, Social Workers, DONs and MDS Coordinators!

As Administrators and LTC Social Workers...

Are you aware of the relationship between SS documentation coded on the MDS and the areas of the QM which are triggered?

Are you certain when a QMRP may be required for your facility?

Do you know the intended purposes of Quality Measures?

How does SS documentation factor into the exclusions and/or covariates?

Does your SS documentation validate the interview requirements for staff interview?

*If you answered **NO** to any of the above questions, attend:*

**The LTC Social Worker and
Quality Measures, Interviews,
ID/DD and MI Residents**

Presented by:

PRESENTERS:

Melinda Cotton, B.S., L.S.W., Q.M.R.P., and RAC-CT (3.0) has 28 years of healthcare experience from both the regulatory perspective (Medicaid Auditor for the State of Indiana) and the provider perspective (Director of Reimbursement, Reimbursement Specialist, Medicaid Reimbursement Specialist, and MDS Consultant providing MDS/QM/Social Service expertise in several states). Ms. Cotton has extensive experience in reviewing and implementing positive change using the Quality Measures. Ms. Cotton graduated from Ball State University.

Teena McGuire, L.P.N. has 21 years of LTC experience as floor nurse, Charge Nurse, MDS Coordinator and Director of Health Services at an Assisted Living Facility. As Director of Health Services, she had a deficiency-free survey from State Board of Health. She received the Presidents Platinum Service award for exceeding resident, family and staff expectations for two consecutive years. She maintained a 95-98% audit rate as an MDS Coordinator and has presented LTC seminars in Louisiana. Ms. McGuire graduated from Ivy Technical Nursing Program.
